

Emerging Foundation Questions

Name: Date:

Your completed questions form part of the coursework required for assessment. Please contact Training Support for details of how to submit your work.

Please avoid 'short' answers of just a few words – answer the questions as fully as you can.

1. The emerging left lesson will normally be part of an 'approaching' left lesson. What is the main reason for this?

2. Suggest three key questions that you could ask at the start of an emerging lesson.

3. Briefly describe the term 'creep and peep' and give an example of where it would be needed.

4. Why is it important for the instructor to watch the learner while waiting to emerge from a junction – and how can the instructor keep the car safe if he is not watching the road?

5. What advice does the course give to help ensure that learners stop when they come to a Stop Line?

6. List the basic skills that need to be in place before doing right turns emerging.
