

Pedestrian Crossings Foundation Questions

Name: Date:

Your completed questions form part of the coursework required for assessment. Please contact Training Support for details of how to submit your work.

Please avoid 'short' answers of just a few words – answer the questions as fully as you can.

1. Why is it advisable for drivers to check all around before moving off after they have stopped at a pedestrian crossing?

2. Briefly explain, as if talking to a beginner, the zig-zag lines parking rules and reasons for the rules.

3. Explain why drivers should never beckon pedestrians to cross the road in any situation (or flash headlights for the same purpose).

4. We recommend that in addition to keeping pedestrian crossings clear in traffic queues you should also leave at least one car length clear beyond the crossing – why is this?

5. What is the priority difference between a split Pelican crossing with a central island and a split zebra crossing with a central island?

6. Briefly explain, as if talking to a beginner, the difference between a Tiger Crossing and a Zebra Crossing.
