

Meeting questions

Name: Date

What are the three options a pupil has when approaching a 'meeting' situation?

What does the term 'priority' mean?

What reason for slowing down in a narrow gap might you give to driver who is very confident about judging the width of his/her car and who would be comfortable driving through the gap quickly?

Why is it a good idea for your pupils to hold back two to three car lengths (or more) behind an obstruction when giving way to approaching traffic?
